Dear students,

please make your course selection here!

Start of course selection: September, the 23rd 2022 at 9.00 a.m.

- **The earlier you select your courses, the better it is - "first come, first serve"!**
- **If the courses are full, you will not be able to register for them anymore!**
- Until the deadline, you can still make changes on your choices here in the system as long as spots in the other courses are still free
- You are allowed to select a **maximum of 5 courses**: You should take courses for at least 20-25 ECTS and you are advised to only register for those courses you actually want to take. Please also consider the courses offered by the [IO/Language Center](#)
- Sometimes - unfortunately - **overlaps of lectures cannot be avoided**. It is your own responsibility to choose courses, so that they do not overlap too much.
- An enrollment in an iLearn course by entering the GB key does not mean you have a spot in the course!
- **Changes can only be made with Johanna Maurer on the 11th and 12th of October via eMail - you will get a confirmation back.**
- You can put yourself on the **waiting list** by selecting the subject you want to take in application with the orange icon you can find below
- **Double Degree students** do not need to select here! In case you weren't at the information session, please contact Ms. Johanna Maurer.
- After the selection is done, an overview of the courses and their participants will be published in this course
- When choosing a course, you are required to attend the course!

Deadline for selecting: September 25th, 11:00 p.m.

▼ Course Selection: WAITING LIST (WS 2324)

Course Selection: WAITING LIST

Opened: Friday, 23 September 2022, 9:00 AM
Closed: Sunday, 25 September 2022, 11:00 PM

- **Only use the waiting list when you didn't get a spot in a course via the course selection above.**
- In case a place gets free, the first person on the waiting will be informed by us via mail. So the quicker you are, the better it is.
- If you click on all courses or click on courses you are already selected in the course selection, your response will be ignored.
