

## How to create your individual schedule – MyTHD

1. Go to “select lectures”.

- Please configure your schedule for the winter semester 23/24 -

### MY LECTURES

Select lectures

Prüfung
Besprechung
Hybrid-Vorlesung
Vorlesung
Übung
Praktikum
Online-Vorlesung
Veranstaltung

list view
day/week view

Type	Date	Time	Title of the lecture	Room	Lecturer	Participants
No results						

2. Select the course (= study programme) and semester\* the lecture you would like to add belongs to.

- Please configure your schedule for the winter semester 23/24 -

### \*semesters/groups exchange programmes:

- General Business:
  - GB-1: all courses
- General Engineering:
  - GE-1: Faculty Civil and Construction Engineering
  - GE-2: Faculty Electrical Engineering and Media Technology
  - GE-3: Faculty Mechanical Engineering and Mechatronics
  - GE-4: Faculty Applied Natural Sciences and Industrial Engineering
  - GE-6: International Office and Language Centre
- International Computer Science:
  - ICS-1: Faculty Computer Science
  - ICS-2: International Office and Language Centre

3. Add all the lectures you signed up for to your individual schedule.

- Please configure your schedule for the winter semester 23/24 -
